Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961:

Compensation payable under—payment of — in transferable bonds.

GOVERNMENT OF MAHARASHTRA

107

REVENUE AND FORESTS DEPARTMENT

Resolution No. ICH 1164/1294 (b)-M (Spl)

Sachivalaya, Bombay, 22nd July 1964

RESOLUTION OF GOVERNMENT

Compensation payable to surplus land-holders and others under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961, is to be paid in transferable bonds as provided in section 26 of the Act and the Maharashtra Agricultural Lands (Ceiling on Holdings) Compensation Bonds Rules, 1962 published in the Maharashtra Government lazette Extra, Part IV-B, dated the 1st June 1962. Government has, in consultation with the Reserve Bank of India, decided that the procedure to be followed for printing, custody, supply, etc. of compensation bonds should be as laid down in the rules, given in Appendix I of this resolution. The Collectors are requested to study this procedure carefully and to take further action in the matter accordingly.

- 2. The procedure laid down in the rules in Appendix I is detailed and self-explanatory. If, however, the Collectors anticipate any difficulty in regard to this procedure or consider that any of these rules need further clarification, they should make a reference to Government immediately.
- 3. Rule 11 of Appendix I provides for the issue of Compensation Cash Payment Orders. These Cash Payment Orders will be as good as cheques, and it will, therefore, be essential to keep a proper account of the forms of these orders and see that they are always kept in proper custody under lock and key, in accordance with the procedure that is followed for the custody of Government Cheque-Books.
- 4. Payments of instalments, interest on and enfacement, renewal etc. of bonds will have to be done by the Treasury Officers in accordance with the instructions that have been issued separately under Government Resolution No. ICH 1164/1294 (a)-M (Spl) dated 22nd July 1964.
- 5. Once the compensation amounts are paid in bonds, it would not be feasible to recover Land Revenue, Government loan and the occupancy price payable, if any, for the land regranted under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961 from the compensation amounts as provided in rule 8. Therefore, in cases in which certain amounts are to be recovered by Government from the compensation amounts, it will be necessary for the Collector to have the question of these recoveries settled before the payment is made of the net compensation amount in bonds in accordance with the procedure now prescribed.
- 6. Amounts of Government dues which will be deducted from the compensation amounts in accordance with rule 8 of the rules in Appendix I and also the amounts that will be paid in cash on Compensation Cash Payment Orders will be debitable to the budget head "9-Land Revenue—C-Assignments and Compensation—C-3 Other Land Revenue Compensation". A suitable provision for the debit of these amounts will have, therefore, to be made under the above budget head. The Collectors are, therefore, requested to report within a month of the receipt of these orders the provision that needs to be made under this head for the current financial year.
- 7. Arrangements for the printing and supply of forms prescribed by the rules in Appendix I should be made by the Director, Government Printing and Stationery, Bombay on priority basis in accordance with the instructions entained in Appendix II. The Collectors are requested to examine their requirements of the various forms in the aght of these instructions, ensure that the forms to be supplied to them by the Manager, Government Central Press, Bombay are received by them in good time and that their further requirements of the various forms are communicated to the Manager, Government Central Press, Bombay, within the time that is prescribed for the purpose.
- 8. The cost of the printing of the forms should be debited to the budget head "9-Land Revenue" for the purposes of the Press proforma accounts.
- 9. It is possible that the work of the issue of the bonds in accordance with the procedure now prescribed will be sizeable in some districts and that some special staff may be needed for those districts. Government will, therefore, be prepared to consider the Collectors, proposals in this respect provided sufficient statistical data, indicating the volume of the additional work involved and justifying the proposals for additional staff are furnished by the Collectors.

(G.C.P.) MO-B R & F H 36-1

- 10. Reports in regard to the funds and the staff required should not be combined with the reports in regard to the interpretation of the rules, but reports on each of these items should be separate.
- 11. This Government Resolution issues with the concurrence of the Finance Department vide its unofficial reference No. 9562/D/1064/III dated the 29th June 1964.

By order and in the name of the Governor of Maharashtra,

J. G. KARANDIKAR,
Assistant Secretary to Government.

Rules regulating procedure for printing, custody, supply, etc. of Compensation Bonds to be issued in payment of compensation amounts payable under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961

1. Printing of the bonds.—The Public Debt Office of the Reserve Bank of India, Nagpur, shall arrange to have the necessary number of bonds of different denominations printed and issued to the Collectors according to their indents.

2. The bonds are of two categories, namely :-

(i) Category A.—Bonds payable in instalments i.e. bonds repayable during a period of twenty years from the date of issue by equated annual instalments of principal and interest;

(ii) Category B .- Bonds redeemable on maturity i.e. bonds redeemable at par at the end of a period of twenty years from the date of issue.

Indents.—Indents for the issue of bonds to be preferred by the Collector shall be—

(a) In Form I-A in respect of bonds of Category A.

(b) In Form I-B in respect of bonds of Category B.

The first indent shall be prepared by the Collector and sent to the Reserve Bank of India, Public Debt Office, Nagpur by 1st October 1964.

Thereafter a supplementary indent shall be prepared by the Collector at the beginning of each month and submitted to the Bank on or before the 5th day of the month. There shall be a separate indent for each category of bonds.

Under section 26 of the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961 a person receiving compensation has the control to choose payment partly in bonds of category "A" and partly in category "B". In such cases proper care should be taken while paring the indents to see that the total value of the bonds indented of category "A" and category "B" does not exceed the total amount payable to the person in compensation bonds. This should be done by simultaneously checking up the indents for both the categories of Bonds, with reference to the entry recorded in column 9 of each form. Such a check would also avoid the possibility of cash payment order, if any, being issued twice in favour of the same person.

Registers.—An account of the bonds obtained and issued by the Collector shall be maintained in the following forms:—

(1) Bonds Register in Form II

and (2) Issue Register in Form III.

5. Custody.—Undelivered bonds of different denominations belonging to the two categories A and B shall be kept by the Collector under double lock in the District Treasury.

On the first working day of each month, the Collector shall personally, or through an officer not lower in rank than a Deputy Collector, specially nominated by him for the purpose, verify the bonds on hand and record the result of the verification in the Bonds Register.

- Return of undelivered bonds.—If any bonds remain undelivered for one year after their receipt from the bank, they should be returned to the Bank. The bonds should be returned along with a report in Form V.
- 7. Intimations regarding compensation amounts payable, appeals preferred, etc.—Intimations in regard to compensation amounts determined or awarded by any officer during any month shall be furnished by him to the Collector of his district in Form VI before the 5th of the next following month. A separate form shall be used by the officer in regard to compensation amounts which are subject to appeals to the Maharashtra Revenue Tribunal.

Whenever an appeal is filed to the Maharashtra Revenue Tribunal against the order of any officer in regard to the compensation amount awarded, the officer concerned shall intimate the fact to the Collector and also report the result of the appeal to the Collector in due course.

8. Net amount of compensation payable to be determined.—On receipt of intimations in regard to compensation amounts awarded, the Collector shall ascertain in respect of each person, the deductions to be made from the amount awarded on account of land revenue, Government loans and occupancy price payable for the land regranted under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961.

He shall then in each case deduct amounts falling under the above items from the total amount of compensation awarded or determined, and then fix the net amount of compensation payable.

9. Payment of net amount of compensation.—After the net amount of compensation payable is determined in accordance with rule 8, the Collector shall, immediately after the expiry of the appeal period or after the decision of the appeal, if an appeal has already been preferred, issue-(a) a compensation Cash Payment Order for the not amount of compensation not covered by the smallest denomination of the

bonds, viz., Rs. 50; and
(b) indent on the Bank in his next monthly indent submitted in accordance with rule 3 of these Rules for Compensation bonds to be issued for the amount equal to the highest multiple of fifty contained in the net amount of compensation.

- 10. Category, Denominations and numbers of bonds to be issued.—The compensation bonds to be indented under clause (b) of rule 9 shall be of such category and of such denominations and in such number as the Collector shall decide after taking into consideration the wishes of the person concerned and the option exercised by him in accordance with rule 6 of the M. A. Ls. (C. on Hs.) Compensation Bond Poles, 1962 and the net amount of compensation payable to him in bonds.
 - 11. Compensation Cash Payment Order.—The Compensation Cash Payment Order referred to in clause (a) of rule 9 shall be in form VII. It shall be payable from such Treasury or Sub-Treasury within the district as the person concerned may desire.

It shall be prepared in triplicate. The original shall be delivered to the person concerned, or his authorized agent, and the duplicate shall be sent to the Treasury or Sub-Treasury from which payment is to be received and the triplicate shall be retained by the Collector.

Payment on Compensation Cash Payment Orders shall be made by the Treasury Officer or Sub-Treasury Officer as on cheques issued by the Collector or any other Departmental Officer for withdrawal or payment from his Personal Ledger Account.

- 12. Payment on Compensation Cash Payment Orders.—Payments on Cash Payment Orders made by the Treasury and Sub-Treasury Officers shall be debited to the head "9-Land Revenue—C-Assignments and Compensations—C-3-Other Land Revenue Compensations."
- 13. Delivery of Compensation Bonds.—The delivery of compensation bonds shall be made by the Collector direct to the person concerned or his authorized agent or it shall be made through the Tahsildar/Mamlatdar or Mahalkari in whose tahsil/taluka/mahal the person concerned s residing.

A person receiving any compensation bonds from the Collector or the Tahsildar/Mamlatdar/Mahalkari shall acknowledge their receipt in Form VIII.

Where the compensation bonds are to be delivered through the Tahsildar/Mamlatdar/Mahalkari, the receipt in Form VIII should be filled in duplicate and one copy thereof along with the Bonds should be sent to the Tahsildar/Mamlatdar/Mahalkari concerned by registered post insured for Rs. 100. On the other copy the Collecter should certify that Bonds as mentioned in the receipt have actually been sent by registered post. This copy should be kept along with the Delivery Register. The Tahsildar/Mamlatdar/Mahalkari, shall at the time of delivery of the bonds to the person concerned, obtain his signature on the receipt and return it to the Collector.

The Collector shall maintain a Delivery Register in Form IV and keep with it the receipts for compensation bonds obtained by him or by the Tahsıldar/Mamlatdar/Mahalkari.

14. Payments on Compensation Bonds.—The payment of any instalment or, as the case may be, of interest on any bond shall be made from the Treasury or Sub-Treasury at which the bond stands enfaced on presentation of the bond on or after the date on which the instalment or, as the case may be, interest becomes due.

The payment shall be made in the manner in which the payment of interest on a Government Promissory Note is made. The receipt to be obtained from the payee shall be in the form prescribed by Government.

15. Redeemed Bonds.—The Treasury Officer or the Sub-Treasury Officer to whom any bond is presented for the payment of the last instalment due on it or in the case of bond of category B for payment of the principal, shall have the bond signed on the reverse by the holder, and shall on payment of the instalment or as the case may be of principal and the interest not return the bond to the holder but retain it with him and at the end of the month send it along with a list of the bonds redeemed at his Treasury/Sub-Treasury during the month to the Bank through the Accountant-General, Maharashtra, Bombay.

APPENDIX II

Instructions for the printing and distribution of forms prescribed under the Rules in Appendix I
