Circular

Sub : Disposal of misappropriation cases

It is noticed that adequate and prompt steps are not being taken by the Tahsildars to finalise the misappropriation cases. The Govt. is keen to see that the misappropriation cases are finalised in all respects with least possible delay. The cases of misappropriation are required to be tabled before the Public Accounts Committee. The information is required to be submitted to Government in detailed in each case with reasons for pendency. The important points on which the information is to be submitted to Government have been included in the monthly periodical form prescribed under this office Circular No. 1ST-M-PR dated 26-2-70 and letter No. 1ST-MRM, PR dated 12-10-70. All the Tahsildars are requested to be always alert so far the finalisation of misappropriation cases are concerned. Any delay in finalisation of these cases on the part of the Tahsildars office will be viewed seriously and the persons responsible for the delay will be liable to be proceeded against.
