In Government Resolution, Finance Department No. INC-1065/V, dated the 19th October 1965, the benefit under Government Resolution, Finance Department No. INC-1063/3223-V, dated the 11th March 1964 has been allowed to Government servants with past continuous service in the former Civil Supplies Department. A question has been raised whether the benefit of past service in the Civil Supplies Department will be available for purposes of increments in the promotion post after initial absorption in a lower post. Government is pleased to clarify that the Government Resolution, Finance Department No. INC-1065/V, dated the 19th October, 1965 confers on employees of the former Civil Supplies Department only such benefits as are admissible to other employees under Government Resolution, Finance Department No. INC-1063/3223-V, dated the 11th March 1964. As such, the benefit of past continuous service in the former Civil Supplies Department will be available only on initial absorption or employment and not on other occasions. Accordingly, fixation of pay on occasions other than those on first appointment or initial absorption, whether in the case of employees of the former Civil Supplies Department or other employees continues to be regulated under the normal rules. Thus, on occasions other than those of initial absorption, Note 4 below proviso II to Bombay Civil Services Rule 41 inter-alia remains operative in the case of persons with service in the former Civil Supplies Department as well as those with non-Civil Supplies Department service.

2. Government is pleased to direct that item 2(iii) of paragraph 2 of Government Resolution, Finance Department No. INC-1065/V, dated the 19th October 1965 should be deleted.
